Hello Gary,

Sorry for the late response i have been pretty busy this week. Im not sure if its phenol. Its the same odor i smelled when you once gave me a tour and showed me the process of the clean up Hope that helps.

Betsy:

Thanks for the information. Do you know if it was a phenol odor?

Hello Gary,

I was the investigator doing the surveillance this week at CES. Just wanted to notify you that I smelled an odor on Monday the 13th on Griggs, Tuesday the 14th on Griggs, and Thursday the 15th on Griggs.

Thanks
